Accounting and Business Research

Published quarterly, **Accounting and Business Research** (A&BR) is a technical journal concentrating on new ideas and research into accounting, finance and business.

Leading exponents in these areas from all over the world contribute regularly to make this the foremost publication in its field.

Recent articles have examined such varied topics as: "Accounting for Intangibles: A Theoretical Perspective", "Management Accounting's Diminishing Post-Industrial Relevance" and "The Effects of Senior Auditor Behaviour on Staff Performance and Satisfaction".

Subscriptions and bound volumes with index from Volume 8 1977-78 onwards are available from Subscriptions Manager, Accounting and Business Research, 40 Bernard Street, London WC1N 1LD.

To subscribe to A&BR, complete and return the subscription form below.

Please enrol me for a one year subscription to **Accounting and Business Research**.
